New Shooter Saturday Trap Clinic

Every Saturday at 1pm

Glen Park Izaak Walton

5700 Mississippi Street— Merrillville, IN 46410 (Behind Mike Anderson Chevy on I-65 & 61st Ave.)

Every Saturday at the Glen Park Izaak Walton in Merrillville we are offering a free new shooter clinic for trap shooting. Always wanted to give it a try? Come out and see what you are missing. Please inquire at the trap counter when you arrive and tell them you are looking for a first time shooter clinic.

You will need to bring a shotgun, target shells, hearing & eye protection, and a willingness to have a great time.

*Shells are available for purchase at the club and we do generally have loaner eye protection and disposable ear plugs for your convenience.

*Please note that this program is subject to availability of the trap fields and staffing restrictions. We will do our best to accommodate all shooters, but cannot guarantee one-on-one instruction or private traps.
