

Earth Day Tree Give Away! April 27th.

In commemoration of Earth Day 2019, the Glen Park Chapter of the Izaak Walton League of America is giving away 100 Eastern White Pine and 100 Black Chokeberry sapling trees on Saturday, April 27, 2019. The event will be held between 12:00 p.m. and 3:00 p.m.

Eastern White Pine

The Eastern White Pine is one of the largest conifers in Indiana. Its height has been reported as ranging between 50' to 100' tall in domestic areas. The tree has a soft, blue-green clustered needle. It grows natively in a wide variety of soils, and it is believed that it can live up to 250 years.

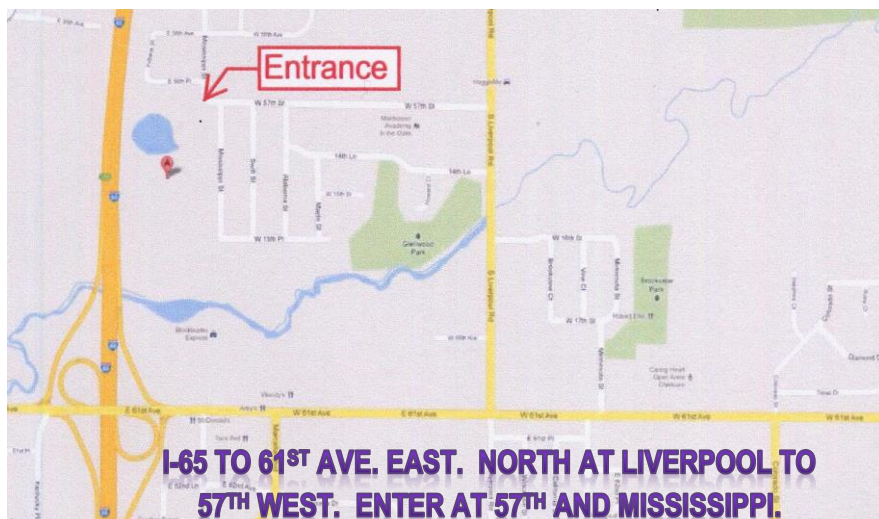

Black Chokeberry

The Black Chokeberry is a resilient and adaptable shrub, which can thrive in a wide variety of soils. It is frequently used for erosion control or as windbreaks in excessively moist soils, because of its tolerance to wet soil. The plant's fruit is high in antioxidants, but should not be eaten raw. However, the fruit is used in baking and in the making of jams, jellies, syrups, tea, juice, etc. The shrub's fruit can persist into winter and serves as a food source for winter wildlife.

Saturday April 27th

The Glen Park Chapter of the Izaak Walton League is located at 5700 Mississippi Street Merrillville, Indiana.
TEL: 219-942-3133 We reserve the right to limit the number of trees per party.
